

Per Capita Giving for 2018

Recently, each family and/or member should have received a letter about per capita giving. This is just a quick reminder to support such an important mission.

Each year we support the missions and services of the larger Presbyterian Church through our Per Capita offering. The Pittsburgh Presbytery, the Synod of the Trinity, and the National Presbyterian Church U.S.A. are funded by these gifts from each member congregation.

JMPC is a very giving congregation. Last year we used our offerings to directly support dozens of local and global missions as well as the needs of those in our own church family. The Presbytery keeps an eye on the bigger picture serving needs such as disaster assistance, poverty, disease, abuse, and neglect. A key source of funding for the Presbytery services is the Per Capita giving from each and every member of the Presbyterian Church. JMPC's Per Capita assessment is **\$33.05** in 2018 for each **confirmed member** of the congregation, totaling more than **\$14,000**. We ask that you prayerfully consider and submit your family's expected contribution for each confirmed member. Please remit your contribution in the enclosed envelope and place it in the offering plate or mail it to the Church office. We have also placed the QR code for our church in the letter if you would like give on line. Please place in the description line that it is for the Per Capita.

In Christ's service,

Douglas Mickey
