Dear John McMillan Preschool families,

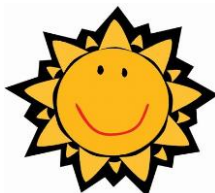

What a wonderful year we've had at John McMillan Preschool! I am so grateful for all of the support you have shown me and the teachers throughout our many activities and events. You have been such a fun and enthusiastic group of parents to work alongside! And most of all, **THANK YOU** for sharing your children with us – they bring us joy each and every day. Watching them learn and grow this year has meant so much to us. We're looking forward to seeing many of you again next year!
