

More Fun with Spanish!

at
John McMillan Preschool

Join Mrs. Campos for another session of Spanish. The children will creatively learn the Spanish language through a variety of activities. This class welcomes new students and those that joined us the last session to join in on the fun.

Learning a second language opens the door to other cultures and helps children understand and appreciate people from other countries.

Mrs. Campos is a native Spanish speaker from Mexico with previous experience teaching Spanish to young children.

In this class children will:

- Learn Spanish through songs, dances and fun activities
- Learn about Spanish culture
- Develop a greater sensitivity to language and a better ear for listening

Children must be 3 ½ by September 30, 2021 to enroll.
