

Jump Into Spring!

at

John McMillan Preschool

We all know that children have tons of energy!

This class will get them hopping, running, and jumping to get those wiggles out! They will stretch their muscles and move, move, move - all while learning about a new sport each week.

Purposeful movement helps children develop self-awareness and self-regulation. Children will also develop gross and fine motor skills while building coordination, balance, and confidence.

We will also learn about Spring and the changes it brings. Nature and planting will be incorporated with a variety of fun activities.

This class is offered to all children enrolled at JMPS

Monday Afternoons from 11:45-2:00 pm*

**please send your child with a nut free lunch*
